

MID SOMERSET RIDING CLUB

JANE HOLDERNESS-RODDAM CLINIC

**SATURDAY JANUARY 28th 2017 AT WORLD HORSE WELFARE
GLENDA SPOONER FARM, KINGSDON TA11 7LA (off the A372)**

By popular demand – Jane will be taking four sessions, starting at 10am. Each session will last for approximately 90 minutes. Please be honest about your ability as it will help everyone if we grade the sessions correctly. We can obviously tailor classes, depending on the demand for various activities, but it was thought that they would include some pole exercises and small grids with the later classes having more emphasis on the jumping and focusing on technique and accuracy which would be useful for cross country. All abilities catered for – young horses – novice riders – just be honest and we can fit you in to the correct group and you will undoubtedly enjoy your lesson.

Bookings will be taken on a 'first come' basis and a waiting list will be kept. Withdrawals after 21st January will be charged unless the place can be filled. **EVERYONE** is also **REQUIRED** to provide a helper for a session or help in another session themselves (moving jumps, poles etc). Please also leave a contact telephone number in case of emergency/accident on the day.

For further information &/or times (2 days prior to clinic), contact Marian Draper on 07885 301 898
