Frances is a highly respected List 1 British Dressage judge, who teaches and competes at high level. She is well known to most of you and we are delighted that she is coming to MSRC for this test riding clinic. The timing is ideal for those competing at the upcoming Regional Finals.

The format will be that you choose a test from the list given below – you will ride the test and Frances will discuss it with you and give you instruction on anything she feels you need to work on, and then you will ride the test again, You will warm up on the outdoor arena and the session with Frances will be in the indoor school and last for 40 mins. This is a wonderful opportunity and places are limited – so don't delay with your application!
